

Invitation to support the All Ribbons Ball

The third **Young Garvan All Ribbons Ball** will be held on Saturday 18 August 2012 to raise funds for the Young Garvan Postdoctoral Fellowship. This Fellowship enables young scientists to broaden their experience by working on a key research project at the Garvan Institute of Medical Research.

The 2012 event will be held at the Hilton Hotel Sydney Grand Ballroom. Guests will enjoy a three-course dinner, premium wines and a fantastic entertainment lineup, including MC James Valentine and comedian Tommy Dean. A silent and live auction will be held on the evening to raise funds for the Fellowship.

Young Garvan invites you to become an All Ribbons Ball partner and invest in the future of a young research scientist. Through in-kind donations and ticket sales, we cover the event's operational expenses to ensure that your donation is a direct investment in the pursuit of breakthrough medical research. In return, we offer an exciting opportunity to market your services to our audience of young professionals.

Please contact Kylie Sherwood-Kelly, Garvan Research Foundation, Tel: (02) 9295 8108 or Email: k.sherwood-kelly@garvan.org.au for a copy of the 'All Ribbons Ball Proposal for Support'.

The Young Garvan Committee is honoured to have received support from a wide range of organisations in the past two years.
